PRICE THREE CENTS

Zero Hour For The Novelty Minstrel Approaches

Juniors Will Hold Forth Next Friday Night

December—and one's thoughts turn with dismay toward unpurchased and uncompleted Xmas gifts and to pocket-books alarmingly flat. Amidst all the welter, flurry and worry preliminary to the happiest season of the year, there appears one ray of light—one opportunity available to the people of Narberth, which is offered to no other community.

Hidden away in the aforesaid flat-topped pocketbook a fifty-cent piece will be found lurking. This small sum and a smile admits to the greatest show on earth—Barnum and Bailey notwithstanding. Elm Hall has never housed a more amusing or clever entertainment than will be given by the Junior Section of the Narberth Women's Community Club on Friday evening, Dec. 14th.

This Novelty Minstrel Show has every factor necessary for the putting on of a successful entertainment—"snappy" jokes, "clever" comedians, "peppy" music, "graceful" dancing, and last, but not least, special entertainers from the Keith circuit. Intensive practice on the part of the "Beauty Chorus" and the untiring efforts of the Director, Miss Augusta Witherow, is rapidly wielding the show into a smoothly running performance. Those who complain of the purchasing power of "four bits" would do well to sample the production.

Miss Ella Dohard, assisted by an able committee, entertained the Juniors at her home on Wynnewood Road last Friday evening, November 30th.

Owing to the intensive rehearsing in which the club members are at present engaged, a formal program of entertainment was dispensed with and the evening was largely devoted to the discussion of the most recent developments in the forthcoming Novelty Minstrel.

As is usually the case where the hospitable Mrs. Dohard is concerned, the members who were so fortunate as to have been present, sauntered home with a comfortable feeling of fullness and deep content which might have been due to the Thanksgiving "bird," but which undoubtedly came from the consumption of the justly famed chocolate doughnuts a la Dohard.

CAMPAIGN TO FIGHT TUBERCULOSIS

County Branch Confident That Thousands of Seals Will Be Sold

The drive to raise \$15,000 by the sale of Christmas seals to aid in the campaign against tuberculosis is in full swing in Montgomery county under the Montgomery county branch.

Miss Shaw, the field secretary, is confident that the goal will be attained.

History of County Organizations

The Montgomery County Tuberculosis Society was formed in June, 1920, at the request of the Pennsylvania Tuberculosis Society.

Organization being one of the main and most difficult responsibilities of the Pennsylvania Society, fifteen years ago activities along this line began to bear fruit, in the formation of local tuberculosis organizations in different sections of the State.

There are today twenty-two counties in the state of Pennsylvania, Montgomery county being one of these, that operate local tuberculosis organizations on a county wide basis, many of these organizations have a full time paid staff of trained workers.

With the state maintaining large machinery for handling the actual cases of tuberculosis, the responsibility of the county organizations has been in the field of education, propaganda and the promotion of preventive measures.

In Montgomery county in the past year health instructions have been given to 80,000 school children, three hundred quarts of milk has been served to school children in nutrition classes provided for by this organization which was also instrumental in placing in the Bridgeport schools a school nurse, contributing three hundred and ten dollars toward her salary. Seals were placed in eleven schools at a cost of \$53.25, and three hundred dollars was contributed toward the work of the alliance in Norristown.

Narberth Wins Two Thrilling Ones

Local Basketeers Are In Winning Stride

Last Friday evening at the Y. M. C. A. gym, the Narberth "A" Basketball squad held onto their very slim grasp on first place in the Overbrook Church League by defeating the fast M. E. Club by a 28-20 score. Both teams gave a very clever exhibition of passing the ball throughout the game. The guarding was very close and in the first half field goals were at a premium, but the half ended with Narberth having a slight advantage, 10-8.

The Narberth stock took a flop when Ernie Jenkins was forced to leave the game with a badly sprained ankle which will keep him out of the game for a couple of weeks. In the second half, with a revised line-up, the locals braced and with some rare field goals by John Dickie and "Gene" Davis, who both played wonderful ball throughout the game, Narberth soon pulled ahead until the final whistle.

Pred Harsch played his initial game of the season and showed very good defensive ability. Lou Ricklin and Pete Yocum and Clarence Humphries played a whale of a game for the "B" team, and they again emerged victorious over the Wharton "B" team by a 25-20 score. Wharton started off strong and soon had the locals on the wrong side of a 13-5 score, and the half ended 15-8 in Wharton's favor. About 5 minutes of the second half was all the Narberth boys needed to go ahead, 17-16, and stay ahead to the end.

Next week, Dec. 14, Fletcher comes to Narberth for their first game.

HON. FLETCHER W. STITES TO ADDRESS LEAGUE OF WOMEN VOTERS

"Congress and Its Relation to the Individual" is the subject for presentation to the members and friends of the Narberth League of Women Voters on Monday, Dec. 10, at 3 P. M., in the Y. M. C. A.

An awakening to a better understanding of Congress and its responsibility to its constituents and a fuller realization on the part of the voters of their right to be heard and considered might result in the passage of some desirable prospective legislation in our present congressional session.

Report of the State Convention held in Philadelphia in November will also be given by the League's delegate and chairman, Mrs. C. P. Fowler.

The League extends an invitation to any residents to attend the meetings at any time. Burell with the League and become a more intelligent voter.

The younger generation, and some not so young, are busily sandpapering their sled runners.

NEXT MEETING

Consistent with the coming holiday season, the program for the next regular meeting of the Women's Community Club to be held in the Y. M. C. A. building on Tuesday, December 11, at 2:30 P. M., includes several Christmas carols as well as a talk by Mrs. Hutton Kennedy on "Personal Glimpses of the Holy Land."

Mrs. A. T. Van Auken will review Kate Douglas Wiggin's new book, "My Garden of Memory." From all reports, this book is one of the best its author has ever written, and its review will be most entertaining.

Mrs. Samuel Z. Shope will read a paper on Law Enforcement. The hostess for the afternoon will be Mrs. Charles Haist.

The next meeting of the reading class will be held at the home of Mrs. A. N. Edrop on December 17. This class is one of the most popular of the Club affairs, and a cordial invitation is extended to all members who may care to join.

A Library Staff meeting was held last Monday morning at the home of Mrs. Franklin Dunlop, of Dudley Avenue. Mrs. Wood endeavored to enlighten her staff on the correct method of alphabetizing and many other things that librarians should know.

HAIL THE NEW YEAR!

Preparations for the Tennis Club New Year's Eve Dance are well under way, and that live Entertainment Committee have promised that this dance will exceed any of the previous affairs conducted during their regime, and judging from the character of the parties which they have put on, this next dance will surely be a "Humdinger."

Unique favors have been obtained for the ladies, special music will be played by Raith's Orchestra, and not even the old settlers will be able to recognize Elm Hall. The music will start at 9 P. M. and will continue until 1 A. M. It looks now as if it will be the one big night in Narberth, and several of the members who usually go to hotels on New Year's Eve, have established a precedent and expressed the opinion that they are surely going to attend the Tennis Club Dance.

CARD PARTY

Another great success was scored on Thursday evening by that hustling organization, the Women's Community Club, when it treated its members and their friends to one of the best card parties given in town in many a day.

It required a table that reached from one side of the room to the other to display so large an assortment of beautiful prizes, that it was difficult for the winners to make their choice. Delicious sandwiches with various fillings, together with steaming coffee, comprised the refreshments which were served in that manner which characterizes all Community Club affairs.

All in all it might be said that everyone present went home feeling that the evening had been well spent.

MAIN LINE CHURCHES HOLD RECEPTION IN BRYN MAWR

The annual reception of the Main Line Federation of Churches was held last night in the new auditorium of the Bryn Mawr Public School. Mrs. John Glenn, an authority on social service work, spoke on the co-ordination of Church and social service work.

It was pointed out that during the last year the federation had looked after the welfare of 534 families needing relief and medical care.

WORKING ON FIELD

The Borough forces, under the supervision of Street Commissioner Suplee, are now engaged in the construction of a tunnel at the Recreation Field. The new structure will run from the south side of Windsor Avenue to the present tunnel and from there to Haverford Avenue.

This will join the present conduit, and will complete the present plans for draining the field, so that the surfacing can proceed in the spring.

BANANAS

That popular song about bananas greatly stimulated the sale of that particular fruit, according to the Wall Street Journal. This was the case in our country. And appetite for bananas is increasing also in England as the song gains popularity over there.

Mighty is the power of suggestion. Mightier is the power of repetition. A significant tip for advertisers.

The FIRESIDE

Mr. John S. Ketchum, of Haverford Avenue, has just purchased a five-bull Atwater-Kent radio receiving set.

Mr. and Mrs. Boyd Barnard, of Avon Road will spend the holiday season in Kansas City, Mo.

Post Office Department, and during his stay also a short visit from Mr. Carl Bergmann and family of West Philadelphia. The three seniors all having been boyhood friends in Washington more than fifty years ago.

Lieutenant-Commander and Mrs. H. A. McClure and their children, of Charlestown, S. C., are making their home at the Windsor-Essex.

Shirley Road has recently been resurfaced with a macadam finish.

Mr. George Weaver was given a surprise party on his birthday, December 3rd. His guests included Mr. and Mrs. August Beckman, Mrs. Wilkens, Mrs. Wolfe, of Philadelphia, and Mr. Gerhard and Mr. Beckman.

The regular meeting of the Dr. Benjamin Rush Chapter, Daughters of American Revolution, was held at the home of Miss Marie Gorin, 611 Pacific Ave., Atlantic City, N. J., Saturday, Dec. 1st. A delightful luncheon was tendered to the Chapter by the hostess, after which the members enjoyed a chair ride on the Boardwalk through the generosity of Mrs. Kelly, a Daughter from Pittsburgh.

The Chapter will present a pageant on Washington's birthday entitled "The Sacrificial Gardens" which will be held in the Methodist Church.

Mrs. G. W. Orth, of Essex Ave., entertained her Bridge Club at luncheon on Monday. The guests included Mrs. Louis Shenemen, Mrs. W. A. Mitchell, Mrs. H. P. Stevens, Mr. E. S. Taylor, Mrs. J. E. Those present were Mr. and Mrs. John Duffy, Mr. and Mrs. Joseph Whelen, Mr. and Mrs. Harry Hackett, Mr. and Mrs. Morton Lukens, Mr. and Mrs. Samuel Stewart, Mr. and Mrs. George Douglas and Mr. Robert Durbin.

AN IMPORTANT MEETING

Borough Council will hold their December meeting next Monday night at Elm Hall.

This will be an important meeting due to the fact that the budget and tax rate for the year 1924 will be worked out and given first reading. A committee meeting to clear up many of the details was held on Wednesday night of this week.

Will Hold Choral Banquet Monday

Interesting Program Planned for Event in Y. M. C. A.

According to present indications the Choral banquet to be held in the Y. M. C. A. on Monday evening, December 10th will surpass all previous affairs in the history of the Society.

A most interesting program has been arranged which will be a real treat to all music lovers in the community, not to mention a good dinner and the other things planned for the evening. A partial list of those who will take part in the program is in itself sufficient to bring out the most hardened banqueter, among the participants being:

Mrs. Helen Pulaski Innes, Director Matinee Musical Club Chorus; Miss Ernestine Bacon, Soprano, of Philadelphia; Mrs. Thelma Melrose Davies, Contralto, of Philadelphia; Master Jack Gressamer, "The Boy Orator" of Ardmore Park; Miss Florence Haunle, Violinist, Matinee Musical Club Orchestra, Double Quartette from the Choral Society who will sing favorite numbers from programs of former seasons.

Invitations have also been sent to Professor Nive and Mr. Vogel of the Main Line Orchestra.

Mr. William P. Bentz, the new Director, who met with the Board of Directors on last Thursday night and discussed the work for the coming season, will announce his plans and hopes for the organization at the banquet.

Since the banquet will mark Mr. Bentz's official introduction to Narberth, the occasion will have particular interest for all our music lovers. The Choral wishes, therefore, to emphasize the fact that an open invitation is extended to the whole community to attend the dinner. Those who may not now be members of the Choral are particularly urged to come, and the suggestions likewise made that all active, associate and sustaining members bring their wives, husbands, sisters, brothers, friends or sweethearts, as the case may be. The idea is to share the occasion with another, as well as to be there yourself.

This open invitation is, of course, good only to the capacity of the "house," so be sure that you have phoned a reservation to Mrs. Geo. N. Gill, Narberth 1621-J, not later than Saturday night if you have not already done so.

MAILING CHECKS

The Merion Title and Trust Company is mailing today 4,000 checks to members of the 1923 Christmas Club.

The amount involved in this year's checks is \$220,000. Narberth has a big share in this popular feature of the bank's business, as \$50,000, or nearly a quarter of the proceeds of the three offices, go to Narberth.

Plans are now maturing for the opening of the 1924 series, and announcement of the details will be made in "Our Town" next week.

A SUCCESS

The Sauerkraut Supper given by the Ladies' Aid of the Lutheran Church proved to be a great success, both socially and financially. The ladies of the Church wish to take this opportunity to thank their friends in Narberth for their generous support.

Miss Jeannette M. Turner, of Woodside Avenue, has been confined to her home by illness.

School Directorate Organizes For The New Year

Henry Rose Tenders Resignation as Member of Board

A special meeting of the Narberth School Board was held on Monday night for the purpose of organizing the Board for the coming year.

Several matters of interest and importance were taken up. Dr. Leroy A. King, elected to the Board to succeed Mr. Hervey C. Keim, was installed as a member. An election for officers for 1924 was then held in which Mr. C. Howard McCarter was re-elected President, Mr. Robert J. Dohard was re-elected Vice-President, and Dr. King was elected Treasurer.

Mr. Henry Rose, long a member of the Board, and now its Secretary, presented his resignation. This was tabled for consideration at the next meeting. Mr. Rose has stated that his decision is final, and it will therefore be necessary for the Board to consider the appointment of a successor, probably at the next meeting.

This meeting, scheduled for December 31st, will be held instead on Friday evening, December 28th. The change of date was made necessary by the fact that the last Monday falls on New Year's Eve.

Many residents of Narberth, on hearing of the coming resignation of Mr. Rose, have been interested in the appointment of a successor. The Narberth Civic Association has decided to aid in the securing of public opinion by the printing of a ballot for straw vote. This ballot is printed this week, and will be reprinted until the next meeting of the Board. It is suggested that each resident interested in the question fill out the coupon and mail it to Box 966. The ballots will be turned over to the President of the School Board for his information.

The entire membership of the Narberth Recreation Board was in attendance at the meeting, in order to present to the Board plans for the future of the project. The membership of the board includes: Robert G. Savill, President, W. R. D. Hall and A. Perry Redifer from Council, and Robert J. Dohard and C. Howard McCarter from the School Board.

The plan presented by the Recreation Board calls for an appropriation for supervision. The matter of grading and preparing the field for use has gone forward rapidly during the fall months, and it is likely that the plot will be in general use next year.

The law permits the School authorities to appropriate funds for part of the maintenance of the Playground, and the Playground Committee feels that this can best be spent in securing a supervisor. That will mean that someone will be in charge of the Playground, not only when it is in use by the school, but also during the remainder of the week, when younger children may be using it.

Decision has not yet been reached on the matter, but it is felt that some such plans will be adopted.

The regular meeting of the Westminster Circle will be held on Thursday evening, Dec. 13th, at the home of Mrs. Horace I. McConnell, 320 Morion Ave. Each member is to bring a toy for the Children's Hospital, and a jar of jelly for the Bala Home.

Straw Vote For School Director

"Our Town" is anxious to co-operate with the School Board in the selection of a successor to Mr. Henry Rose. For such value as it may be we are giving our citizens the opportunity to mention the individuals who, from their viewpoint, would be eligible to this important office. It may be that through this impromptu "straw vote" enough names may be mentioned a sufficient number of times to be of some value to the President of the Board in whom is vested the power of appointment.

Simply fill in the coupon and mail to "Our Town," Narberth, Pa. The returned coupons will be given to the President of the Board for such use as he wishes to put them to.

COUPON

In my opinion would make an excellent School Director.

THE PLANTING OF TREES

The State Department of Forests and Waters is conducting a campaign to get the farmers of Pennsylvania to plant trees on their "waste" land. The argument they send out is couched in the following terms:

Figures compiled by the Pennsylvania Department of Forests and Waters shows that large areas of idle land exist in every county of the state. Most of this land is good for only one crop, and that is a crop of forest trees. A considerable acreage of the land must be planted to forest trees to make it productive.

Some of this idle forest land is located in remote places and a large part of it is found on farms. Many farmers hesitate to start forest tree planting because they do not know what trees should be planted nor how the planting should be done. It is part of the work of the Department of Forests and Waters to assist persons in planting forest trees. Your district forester, George H. Wirt, located at Harrisburg, has not special training in tree planting work. He understands where and how trees should be planted, and will be glad to tell you how to get results.

He is more familiar with your forest problem and understands tree planting methods better than any other person. If you possibly can, go to see him, or you may drop him a line or 'phone to him. He may be able to visit your property and tell you what to plant, where to plant, and how to do the work. Plant good forest trees on your idle acres. It pays.

Those are the words of the experts of the Department of Forestry. They express more clearly, and certainly more authoritatively, than we could an idea that has been in our own minds for some time. Trees will grow almost anywhere. Lumber is a necessary and valuable product. Why, if it is intelligently done, would not the raising of trees be a profitable side-line for many a farmer who has land not adapted to any other purpose?

ALUMNI DANCE

The dance of the Lower Merion Alumni Association which was held in the gym of the high school at Ardmore last Thursday evening after the Lower Merion-Alumni football game in the afternoon was a brilliant social as well as financial success. Attendance was excellent. The proceeds of the dance, as well as of the football game in the afternoon, were turned over to the Memorial Hospital.

The dance was given in the honor of the Lower Merion football team, the greatest team perhaps in the history of the Maroon and White institution. The members of the team which had not been scored upon once during its season up until the Alumni game and which has run up a total of 349 points in ten games, were the guests of honor and all attention centered around them. But the dance was served as a means of reunion for graduates of the High School and many old friends who had been separated for years.

present the medals to the pigskin players at the banquet which will be given the football team next week instead.

The Alumni committee in charge of the dance and to whom much of the credit for the success of the dance goes consisted of Girard Ruddick, chairman; Francis Smyth, Jack Speir and Misses Emma Bevan and Catherine Hart.

Among the Bala-Cynwyd people at the affair were: Miss Josephine Bonnett, Miss Margaret Cox, Folwell Scull, Paul Scull, Allan Halloway, Florence Mitchell, George Tyson, Charles Hawley, Bob McCracken, Charles Kuen, Dorothy Campbell, Yern Jorgenson, Ivan Simpson, Linda Jorgenson, Palmer Young and Francis Smith, football captain of last year.

LETTERS AWARDED

Announcement of men who had earned their letters in varsity football was made at Lower Merion High School this week. Eighteen men of Coach Forstburg's squad won their letters. Those who secured the coveted "L. M.'s" were Captain Folwell Scull, Peabody Kuen, Hill, Barr, Dilworth, Dohan, Peterson, Derham, Paul Scull, John Fleming, Lockwood, Markee, O'Riordan, Costello, Gene Nugent, Reiss and Purring. Honorary letters were voted Manager Bud Malin.

The lettermen were announced by the Football Executive Committee after a meeting Monday afternoon. This committee has the power to decide what men shall be awarded their letters. Their decisions are subject to ratification by the Athletic Advisory Board but this body generally ratifies without question or change the men recommended by the Executive Committee.

The Executive Committee is made up of Principal Charles Pennypacker, Coach Forstburg, Manager Bud Malin and Captain Folwell Scull. They recommended for letters all men that had played in one full schedule game and also those that had taken part, though not for full time, in six other games.

Uniforms were turned in this week but the season will not really be called closed until after the banquet which will be given the football men in the cafeteria of the High School next week. The dinner will be a big affair and will be attended by school officials high and low.

The eighteen lettermen, Manager Bud Malin, Assistant Managers Chandler Laughlin and Lewis McMakin, and Cheerleaders Walter Cooper, Yern Jorgenson and Walter Stotom will be the guests of honor.

Present also at the feed will be the fathers of Folwell Scull, Barr, Peterson, Nugent, Derham, Fleming, the six members of the team who will graduate next June. The fathers are Messrs. Nugent, J. S. Scull, Orlando Barr, George Peterson, J. P. Fleming, and Joseph J. Derham. Among those present will also be Mr. Hamilton, president of the Lower Merion Board of Education, Principal Pennypacker, Coach Forstburg and President Bill Shupert, of the Alumni Association.

A number of speeches will be given and one of these will be by the Alumni president who will present the Alumni medals to the eighteen lettermen. These medals will be gold with the letters "L. M." engraved in maroon and white enamel.

Following the banquet the lettermen will vote for next year's captain. Two candidates are said to be in the field for the honor. In actual votes one man has a slight advantage on the other, but nevertheless the final outcome is believed to be much in doubt.

The Lower Merion High School football team was defeated for the first time in two years last Saturday when beaten by the Alumni at the school athletic field, Ardmore. This was the first time the varsity team had been scored upon this season. The final score was 13-0.

Les Hawes, star halfback of the Dartmouth College eleven was the cause of the Lower Merion downfall. He scored both the Alumni touchdowns. He was helped considerably by Duffy Myers, of Brown.

Myers threw some long forward passes in the first period and brought the ball to the 12-yard line when Hawes skirted left end and by some clever dodging raced across the line for a score. He missed the try for the extra point.

The school is particularly proud of the great record made by the varsity football team this season. The team was defeated in its final game by the Alumni, but this was more or less to be expected with the wonderful array of talent which the grads had to present in their line-up. But in all its regular scholastic games the proteges of Coach Forstburg not only came out ahead in every contest but did so to an average tune of 39 points per game. And not one opponent succeeded in crossing the Maroon and White goal line.

The Forstburgites played nine games and ran up a total of 349 points. This was the largest score by far, made by any high school team of the Philadelphia district. Only one other team in the state ran up a higher tally and that lone eleven was the one of Lancaster High which made a final grand total of 393 points.

A debate was held Thursday morning in assembly on the question, "Resolved, That the United States should adopt a cabinet-parliament form of government instead of that now in existence."

The affirmative was upheld by Gene Nugent, Goulding and Reiss; the negative was taken by Sylvia Harrison, Arthur Drumm and Erskine Westervelt.

Tuesday morning there was no assembly program.

Arrangements are now all completed for the Senior dance which will be given in the gymnasium of the school tomorrow evening at 8.30 o'clock. Music will be by Mike Fisch's orchestra.

"Had any luck at the races yesterday?"

"Yes. Found a quarter in the grandstand and didn't have to walk home."

METHODISTS CONTINUE WINNING STREAK

The Methodist team of the Inter-Church Bowling League, continued their winning streak by taking three straight games from the Presbyterian team on Monday night, Dec. 3rd. They now have seven straight wins to their credit and hold a commanding lead in the percentage column. Their scores, however, were not as large as the previous week when they won three games from the Baptists. O. L. Jenkins was high man for the evening with a score of 471 points.

The score was as follows:

BIG MERION APARTMENT

Structure to House Thirty Families—Will Cost Nearly \$500,000

Plans have been presented to the building department of Lower Merion township, preliminary to application for a permit, for a large apartment house, to be erected close to Merion station at a cost of upwards of \$500,000.

This is the first "invasion" of Merion by an apartment project. The building is to be located on Idris road, a stone's throw from the station building on a tract which has formed part of the tract of Thomas F. Richards.

The owners are the Merion Apartments Corporation. Architects are Thomas & Lippincott. Their plans call for a three-story building or rather series of buildings, irregular in form with 10 apartments on each floor.

The cost of this project will materially increase the building construction figures for the year of the township, which now total approximately \$6,100,000 covering 753 permits at November 20.

Building figures at October 31 showed a slight drop over the corresponding period of last year in the cost of construction, but there has been more operation than in the last year. The cost of construction at October 31 was \$5,800,000.

AMONG OUR POETS

"Our Town" has been favored with a goodly lot of verse by local literary lights in the past few months. Some is by the younger generation. Two were by a gentleman who wouldn't even give his name to the Editor. But he wasn't anonymous. We know his typewriter, and any further "anonymous" rhyme from his facile Oliver will be welcomed. His baseball epic last fall was a work of art.

There must be other aspiring authors in Narberth. So long as our space holds out and the pressure of current news doesn't crowd out all else, we solicit other outbursts. This week's crop includes:

VICTORY

L. M.'s football fights are done, All but last her victory won. Her boys on the field fought hard, Never once did they retreat.

At the end the revelry Proved to them their victory L. M. and her team of fame Proud to own them is her claim.

The crowds set the air ringing, Football songs were they singing, But the leader of the crowd Made them all sing twice as loud.

In my little resume I've just one more thing to say, This year L. M. has her fame, Next year 'twill be just the same. Shellah M. Foster.

A CHRISTMAS KITTEN

Tommy hung his stocking up, For it was Christmas Eve; Then he went to bed to dream What Santa Claus would leave.

When Tom awoke on Christmas morn, And went downstairs to see What Santa Claus had brought him, He clapped his hands in glee!

For there beneath the Christmas tree There lay a little kitty! "I never knew a child," he said, "To have one half so pretty!"

So when you make your Christmas list, Remember that a kitten Is twice as lovable a gift As handkerchief or mitten. Rosalie Shaw, 12 years old.

GHOSTS AT THE LIBRARY

Can Be Seen By All Who Come and Carried Home by Those Who Wish

Presumably many Narberth people are planning to see Eleanora Duse in "Spettini" when she comes to the Academy of Music in Philadelphia on the afternoon of the 10th. This must be so because it is reported that already the seating capacity of the Academy has been sold out. The play which she will present in Italian is "Ghosts" by Henrik Ibsen. The Community Library has anticipated the probable renewal of interest in this play by local people and has just placed on its shelves the volume of Ibsen which contains in English this play and also the equally famous "The Doll's House."

Patrons of the Library and other people who have followed this community enterprise with friendly regard will be interested to know that during September, October and November of this year the new books purchased for the Library totaled 125 and cost \$190.55. These included 60 recent fiction, 51 juveniles and 14 essays, biography, poetry, etc.

It has been remarked frequently by local people who come into contact with other libraries and with people who are attempting to get recent books from other libraries that there is no other library in this vicinity which makes available so promptly after publication all of the new books by writers of recognized merit, especially in fiction; and that in addition the collection in the non-fiction group is remarkably representative considering the recent origin and the modest base on which the Library necessarily operates.

An important reason why the local library has been able to establish this record is of course because practically all of the money received from rentals can immediately be expended for new books. As every one knows there is no overhead expense for the building which is provided by the Y. M. C. A. directors, nor for labor which is provided by the Women's Community Club, but in addition to these two major items there would still be an expense for a considerable amount of equipment and supplies, were it not for the fact that several interested friends of the Library have been glad to make special cash contributions to meet special requirements. These contributions although going into such unremunerative articles as charging trays and rubber stamps nevertheless increase by just so much the amount which can be expended for new books.

SCHOOL NEWS

Usually after a vacation there is a great deal of absence among the pupils, because of sickness. This is more noticeable after the Thanksgiving vacation than the others. All children are apt to be eating candy and other sweets in excess and the result is often disastrous. This year on Monday the attendance was excellent. Miss Maher, the health teacher, reports that there is no contagious diseases among the children. At regular intervals the children are weighed. The ones that are under weight are trying to catch up, because it is better to be a little overweight than underweight. Lately Miss Maher has been teaching the children uses of food and they have shown much interest.

On Monday, December 3, Miss Clouting was absent on account of illness. Everyone was glad to see her with us again on Tuesday.

The Board of Directors held their annual organization meeting last Monday evening. Mr. McCarter and Mr. Dohard were re-elected president and vice president respectively. Dr. King was elected treasurer.

Sports

This year the boys of the Narberth Public School have taken a great interest in sports. The boys expect to have a fine year in this branch. Tuesday, December 11, the boys will start basketball practice under the supervision of Mr. Gregg, and the prospects for a successful season are very bright.

The girls were scheduled to play their first hockey game of the season with Lower Merion Sophomores, but owing to Jupiter Pluvius, the game was postponed. It will probably be played next week.

After the Thanksgiving vacation many people found it difficult to return to the studies of school. Five days seemed to affect everyone. Mr. Wilson, with a little advice, did his part in relieving the strain. Everybody brightened up when he announced that the School Board had granted us three weeks vacation for Christmas.

On Friday night, December 21, the Narberth Public School is going to give an entertainment for the benefit of the parents. Three plays will be given. They are "A Masque of Christmas," "A Puritan Christmas," and "A Gift of Time." Several carols will be sung by the school.

On Friday evening, December 14, Miss Tyson and Miss Jenkins are going to take some members of the Freshmen Class to see the Shakespearean play, "The Merchant of Venice." The mothers of the pupils will not have

to worry as several teachers will accompany them. Later in the year the Freshmen are going to study Shakespearean plays, including this one.

On Saturday, December 1, the Narberth Football team clashed with the Alumni. Owing to the absence of several stars, the school team was defeated. The final score was 19 to 0 in favor of the Alumni. The Narberth back-field was outplayed. The stars of the game were Robert Ross, Charles Ligrest, and Wallace Litchfield.

AN INTERESTING CONCERT

A very interesting entertainment was given in the auditorium of the Lower Merion High School at Ardmore, Tuesday evening by the Bullock-Sanderson Post No. 136 of the American Legion of Ardmore when it presented the Lapidino-Sand artists in a concert. The music and the rendering of it was of a high order and the concert was genuinely enjoyed by the number of people who attended it.

Among the artists who took part in the musicale was Leslie Leroy Kelley who had part in the St. John's charity bazaar which was given here a short time ago. Other entertainers were Francis J. Lapidino, victor solo harpist; Pasquale Bianculli, violin; Alfred Lennartz, cello; Clement Barone, flute; Harry C. Sand, tenor; Marie Stone Langston, contralto; Leslie LeRoy Kelley, reader; Frederick E. Starke, piano; the Florentine quartet and the Neapolitan and Venetian trios.

FINANCIALLY SPEAKING

"I suppose so, but he seemed rather more attracted by my principal."

DAILY NUMBER OF LOCAL TELEPHONE CALLS IN PENNSYLVANIA 1919 - 1923

The Service Must Go On

The addition of \$30,200,000 worth of new equipment to our plant in Pennsylvania in one year is a stupendous undertaking.

Switchboards, cables, wire,—the elements which make up the telephone system,—are living things, alive with conversation.

While new telephones are being connected, while switchboards are being enlarged, while wire and cables are being added, there must be no interference with the service of our 800,000 telephones already in service in Pennsylvania.

The Bell System in this state is being expanded with staggering amounts of new telephone equipment.

The plant must keep pace with the traffic, which is now 3,800,000 calls a day. It is estimated that in 1924 this volume will increase to 4,200,000 calls per day.

But there are no "growing pains"—no evidence to the user of the service that back of his telephone in the Central Offices, in the streets and along country roads, millions upon millions of dollars are being added.
